Machine Model & Size: _____

Machine Serial #: _____

This machine was properly set up, adjusted, and inspected before delivery in accordance with the instructions in the Operator's Manual.

The following items were explained to the purchaser.

- A. proper operating procedures and the instructions given in the Operator's Manual
- B. the importance of safety precautions, safety equipment and preventive maintenance
- C. warranty terms and coverage

I have received and reviewed the Operator's Manual for the above machine and understand the proper and safe operation as well as the maintenance requirements for this machine. I have also received a copy of the warranty and understand the warranty policy as described therein. The machine was delivered to me in satisfactory condition and I understand that the warranty period begins on the "delivery date", and extends for one year.
